Second Amendment to the Framework Examination Regulations for the Faculty of Mechanical and Process Engineering of Hochschule Düsseldorf – University of Applied Sciences

Dated 15 November 2018

Pursuant to sections 2 subsection 4, 64 subsection 1 of the law on the higher education institutions in the federal state of North Rhine-Westphalia (HG NRW) of 16 September 2014 (gazette of laws and ordinances NRW GV, p. 547) as last amended, Hochschule Düsseldorf – University of Applied Sciences has issued the following amendment.

ARTICLE I

The Framework Examination Regulations for the Faculty of Mechanical and Process Engineering of Hochschule Düsseldorf – University of Applied Sciences of 15 February 2016 (university bulletin HSD Verkündungsblatt, official announcement no. 423) as amended on 7 June 2016 (university bulletin HSD Verkündungsblatt, official announcement, no. 457) are amended as follows:

Section 20 subsection 1 is amended as follows:

‘(1) Only those candidates may be admitted to the bachelor’s thesis who have successfully passed all the modules with the exception of those modules foreseen in the respective Syllabus and Examination Plan for the last semester in the study programme. Only those candidates may be admitted to the master’s thesis who have successfully passed all the modules with the exception of a maximum of three modules; the unfinished modules must be part of the following: Compulsory Elective Module (elective courses I–IV), Study Project (Project R&D) or Engineering Conferences.’

ARTICLE II

These amendments enter into force on the day after their official announcement and are published in the HSD *Verkündungsblatt* (university bulletin).

Issued on the basis of the resolution of the Faculty Council of the Faculty of Mechanical and Process Engineering of 6 July 2018 and the establishment of the legality by the Board of Management on 9 November 2018.

Düsseldorf, 15 November 2018

Dean
of the Faculty
of Mechanical and Process Engineering
of Hochschule Düsseldorf
University of Applied Sciences
Prof. Dr.-Ing. Walter Müller
